

**KIA NIRO 4** Reg No: AB12CDE

Your settlement explained

Below is the breakdown of how we calculated your vehicle settlement. This is based on the information you have provided and the vehicles background history.

Market Value

Your Vehicle's market value £00,000.00

The deductions below are in accordance with your policy terms and conditions.

Deductions

Excess £000.00

Amount Payable

Amount Payable to Customer £00,000.00

Once you accept this settlement, we'll help you get back on the road as soon as possible. Your money should reach your account within three to five working days.

Your settlement explained

We will look at the vehicle details noting its make, model, age, type, engine size, whether it's a manual or automatic, its condition and its mileage, to calculate its market value. We always use the most accurate mileage from your vehicle. Where this isn't available, we'll calculate a pro rata mileage based on the last MOT and the annual mileage as noted on your policy.

We will not include VAT within the market value of your vehicle if you are VAT registered.

Below you will find information for any of the deductions applicable, please read through these before confirming your acceptance of the settlement.

The excess on your policy has been deducted from your settlement.

Thank you for choosing to settle your Total Loss online, payment is now on its way. Please follow the accept button below and ensure that all useful information has been read within your open claim on the claims landing page.
